Programmers teamed up with fun themed shows, giveaways, and shared the reasons they love radio and our community. Thank you to everyone who tuned in, donated, and all new sustaining members will receive a pair of KLKT socks at the wrap party so keep your eyes peeled for the date and time!

VOLUNTEER OF THE MONTH - APRIL LITZ

April Litz has been a huge supporter of Radio Lockhart from the start and our antenna is even named in memory of her mother, Xenia.

Five Questions with April

What do you like best about volunteering at KLKT? Getting to meet all the future listeners and turning them on to the fact we have a local radio station. It is amazing how fun it is to let people in on something new.

How would you describe your program to someone who has never listened to it? Alternate Route has a little something for everyone. The familiar, the unknown but maybe on the tip of your tongue (ear?), and bands you haven't heard of in a while and go "oh yeah, I remember them!" Twists and turns into the unknown with a detour now and then.

Congrats April! Pictured above volunteering for First Friday.

What is your favorite KLKT program? Rumble Radio (for the bad jokes & puns alone)

Can you share your favorite music memory? Seeing Chris Isaak at the 9:30 Club in DC "right before he exploded" pre-Wicked Game. Front of stage, I handed him a record and he signed it and handed it back. How I got that in I'll never know.

Anything else you would like to share? Always dreamed of being a DJ! I moved to Lockhart in 2021 from Austin (originally from MD) with my husband Jack (originally from Plano). Cat parents to Bubbles & Benito.

Tune in to the Alternate Route every Wednesday at 8:00 PM

MOVIE NIGHT AT THE GASLIGHT-BAKER THEATER

KLKT is hosting their first movie Saturday, February 8, 2025 at 7:00 PM. Join us for a screening of the documentary “Runaway Radio,” telling the story of the rise and fall of community station KLOL in Houston. This documentary features interviews with former programmers and some of the biggest names in music from the 1970s to the early 2000’s including ZZ Top, Lyle Lovett, and Sammy Hagar. “Runaway Radio” won the prestigious Texas Independent Film Award (TIFA) – for the best film made in Texas in January 2025. Come see this tale of a station that still maintains a huge cult following 20 years after they went off the air.
