Five Questions with Dave

What do you like best about volunteering at KLKT?

The best thing I like about volunteering is getting out and meeting people, whether it's folks on the square or our fellow volunteers and programmers.

How would you describe your program to someone who has never listened to it?

I describe my program as being music from the 1950s and 1960s on vintage vinyl recordings.

What is your favorite KLKT program?

My favorite KLKT program is RUMBLE RADIO but I listen to the station daily!

Can you share your favorite music or radio specific memory?

My favorite music memory was opening up for The Beach Boys with my band The Swanktones in the 1990s.

Anything else you would like to share?

I'd like to add that I have worked in commercial radio in the past, and I worked on college radio too... but this station is the most fun I've had in a control room, and I have done some wild stuff in the 1980s...
