# **VOLUNTEER OF THE MONTH - THE TEJANO KID**

The Tejano Kid got his start on Lions Radio but now he's a legal adult and has his very own show, the Tejano Hour, airing Saturdays from 1:00PM to 2:00PM!

The Tejano Kid has helped recruit new voices for Lions Radio and has assisted with training and development at KLKT. You may have also seen The Tejano Kid on stage at the Gerry Ohlendorf Performing Arts Center at Lockhart High School.

## **Five Questions with The Tejano Kid**

### **What do you like best about volunteering at KLKT?**

I don't like volunteering at KLKT—I LOVE IT! Volunteering at KLKT has allowed me to meet so many incredible, supportive, and talented people, and it's also my way of giving back to the community that raised me.

### **How would you describe your program to someone who has never listened to it?**

Tejano Hour is dedicated to all the fans of *La Onda Tejana* (the Tejano Wave), and I mostly play songs from the 80s & 90s. Frequently featured artists are Selena, Emilio, David Lee Garza, Mazz, Selena, Ram Herrera, Selena, La Mafia, Shelly Lares, Selena, New Variety Band, and did I mention Selena?

### **What is your favorite KLKT program?**

*As a future educator, I have no favorites!* However, I always tune into the Lockhart Lowdown with Len Gabbay & Levi Garrett every Thursday evening as I return home from school and have dinner. It's truly a great show that helps me stay up to date with all developments happening in our growing community!

### **Can you share your favorite music or radio specific memory?**

My favorite music memory was listening to Selena with my aunt, Frannie. Every time I'd go over to her house, she'd pop the Amor Prohibido CD into the CD player, and I would always dance and try to sing along to the Spanish lyrics. Since then, Selena has been a huge part of my life, and she is easily my biggest role model who helped spark my love for Tejano music.

### **Anything else you would like to share?**

I'd like to thank the Lockhart community for their constant support! So many people in this town absolutely love and remember the sound of *La Onda Tejana* from the 80s & 90s, so being able to bring that sound back to our community while also preserving the legacy of Tejano music is truly special.
