VOLUNTEER OF THE MONTH - PAARL

Paarl is the host of Paarl's Bad Cavern, an eclectic electric story time airing Fridays from 5:00 PM to 6:00 PM. Paarl volunteers many hours in the KLKT production studio and you can catch him manning the volunteer table at Old Settlers and other events.

Five Questions with PAARL

What do you like best about volunteering at KLKT?

Getting to share the music space with fellow Passion-ites and rilin' up the town every Friday.

How would you describe your program to someone who has never listened to it?

I play that EDM, drum&bass, Rough n' Rowdy night time people music but, in truth, it's an Eclectic Electric Rodeo Hour that defies language and genre barriers.

What is your favorite KLKT program?

Password (Sundays from 5:00PM to 7:00PM, hosted by David Barr). Every time it's on I feel hypnotized.

Can you share your favorite music memory?

I was with a group friends at the Mohawk seeing the ProtoMen and when they played "The Hounds" the lightening took hold. I think everyone in the crown felt like a rockstar cause the place went nuts. That or the time I tore my shirt of on stage with Stereo Total during Amo Amor A Tres and it got stuck in the rafters at Red 7.

Anything else you would like to share?

Yeah! Shout out to DJ Yeena Davis of Sacred Nano and the rest of the Production Team at KLKT. Let's Electrify that signal till we hit MEXICO!
